FEATURES & BENEFITS

Chemtech Detail is an all-purpose, non-caustic, spray and wipe cleaner for use on vehicle dashboards, consoles, door trims and upholstery.

Chemtech Detail can be used on most interior or exterior surfaces to remove ingrained dirt, dust, finger-marks, stains, grease and grime.

Chemtech Detail is excellent for cleaning hard to access areas like door jams, foot wells and under bonnet and boot lids where water rinsing is not practical.

Chemtech Detail is easy to use and removes the toughest grime whilst leaving the vehicle interior with a streak-free, clean, fresh vanilla fragrance.

Ready to use, no dilution required.
